About the City:

Durg, situated on Mumbai-Howrah (via Nagpur) mainline, 40 km away from Raipur, the capital of Chhattisgarh State, houses one of the Asia's largest steel plants '**Bhilai Steel Plant**' and its township constitutes a major part of Durg. Govt. V. Y.T. PG Autonomous College, Durg was established in the year 1958 with a campus area of 19 acres and acquired autonomous status since 1989. Our college is the first and only college in the state to get the status "College with potential for Excellence (CPE) Phase -III and A⁺ grade by NAAC, Bangalore. More than 120 students are registered for Ph.D. in various subjects. Most of the science departments are having International and National collaborations. A large number of major/minor research projects are being successfully implemented / ongoing.

About the Chemistry Department:

The department of Chemistry is a DST –FIST supported department with Central Instrumentation lab equipped with Atomic Absorption Spectrophotometer, Gas Chromatography, FTIR, ELISA, UV-visible spectrophotometer and many other sophisticated instruments. More than 40 research scholars have been awarded Ph.D. degree and at present 21 scholars are pursuing their research work. The faculty of this department has more than 200 National /International publications to its credit. Most of the faculty members are engaged in Minor as well as Major research projects sponsored by various funding agencies like UGC, BARC, CCOST, DST, Ministry of Science & Technology, New Delhi, Ministry of Education & Science, Bulgaria etc.

About the Conference:

Material Science and Environment is an emerging field to study and acquire knowledge of materials which are composite to be understood. The conference will explore the new horizon of innovations from distinguished researchers for the advancement of Science and Environment. The conference aims to bring together Academicians, Scientists, Research scholars and students to share knowledge and scientific research related to the proposed topic and discuss the practical challenges encountered and solutions adopted.

Places of Tourist Interest:

The place of conference is supplemented with various colourful feathers for geographical and religious visits viz. Jain Temple, Nagpura (10 km), the famous Bambaleshwari Temple, Dongargarh (60 km), Meeting point of three rivers at Rajim (85 km). Bastar is one of the famous spot of tourism with Kutumbsar caves, Kanger valley eco system, Chitrakot Water fall, Danteshwari Temple (400 km). During the event the temperature is expected to be about 18-25°C.

PG Students	Rs.1000	Rs.1500

Guidelines for Submission of Abstract:

Students, Faculties and Research Scholars are welcome to submit one page abstract of their research, on any of the following themes, not limited to the list:

- Perovskite Materials and Nano-composites
- Quantum Dots
- Graphene Oxide
- Polymers & Composite Materials
- Magnetic & electronic Materials
- Biological and Biomedical Materials
- Nano crystalline Thin Films
- Coordination Compounds
- Micelles Catalysis
- Advanced Oxidation Processes
- Water and Air Pollution
- Waste Management and Disposal
- Low energy Materials
- Liquid Crystal Materials
- Phosphor Materials

Manuscript typed in Times New Roman in MS word, font size - title 14, authors name and institution name 12, body 12, line space 1.5 with email address and mobile number of the corresponding author must be submitted on or before the dates mentioned. Details of conference are available on College Website- www.govtsciencecollegedurg.ac.in
