Unit-III

Q-3. Write a precis of the following passage and give a suitable title:(5)

Now a days stress is laid on games. Games teach the players to act together, thus rousing a feeling of union and duty towards each other. The member of a team who thinks only of showing his own skill, is of no use ; the boy who plays for his side for the common object, who cooperates with the rest of the team, is a good player. What do you think of the player who, to show his skill, should run out among the forwards and leave his goal unguarded? He would soon be out of the team and a player would be put in his place who thinks first of his side, and not of himself. In life, this sense of being part of a whole means the success of the country and lifting of it up in the scale of nations.

Unit-IV

Q-4. Read the following passage carefully and answer the questions given below : (10)

Familiar to most people for its medicinal properties, the Neem is recognized by few despite its distinctive, curved leaves and annual profusion of star shaped sweet scented flowers. It is a medium sized or large tree with a straight trunk and evergreen, a native of India, Burma and Srilanka.

Young leaves are pale, tender green tinged with rust. These are eaten on New years day to ward off sickness during the coming year. Some people to whom the tree is sacred, also festoon fresh leaves across their houses when there is an epidemic of chicken pox or to keep evil spirits away, when there is a birth or death. Dried leaves put in drawers or cupboards keep out moth and cockroaches. Another use of these magic leaves is in poultice form for healing wounds.

From the yellow fruit is obtained the famous Margosa oil, so effective in the treatment of leprosy and skin diseases.

External application of oil from the seed is believed to cure rheumatism. The bark and gum yield valuable medicines. In fact, every part of this tree is of some value. Neem timber is beautifully mottled, hard and heavy and is used for ship building, carts and furniture. Wood from old trees is so bitter that no insects will attack it.

- (a) What are the things build with Neem timber?
- (b) Why insects do not attack furniture made of Neem timber?
- (c) Why are Neem bark and gum famous?
- (d) In the treatment of which diseases is Margosa oil used?
- (e) Give a suitable title to the passage.
