Students Feedback Questionnaire on Curricular Aspects

Session: 2018-19

The students' feedback was collected on a questionnaire format about relevance of curriculum, Coverage of course, Value addition, Skill development, Delivery of content, Availability of resources, Availability of program and overall academic atmosphere. The feedback was distributed among the students of all the streams. Then the feedback forms were collected and analyzed. For every criterion five points were assigned with marks which are as follow:

Scale: 1. Strongly Agree 2. Agree 3. Neither Agree nor Disagree 4. Disagree 5. Strongly Disagree

	Particulars	1	2	3	4	5
1	Relevance of Curriculum: The content is adequate and career oriented					
2	Coverage of Course: The course includes fundamental and applied aspect					
3	Value addition: The curriculum incorporates environmental, moral and social values					
4	Skill development: The curriculum is supported with practical/Field work/Project work/other activities					
5	Delivery of content: The course is covered effectively and efficiently					
6	Availability of resources: The resources for learning are adequate and easily available					
7	Availability of programme: There is ample choice of subject combination or availability of electives					
8	Overall academic atmosphere: The overall academic atmosphere is excellent					
9	Suggestion for further improvement					

IQAC Analysis of Students' Feedback on Curriculum:

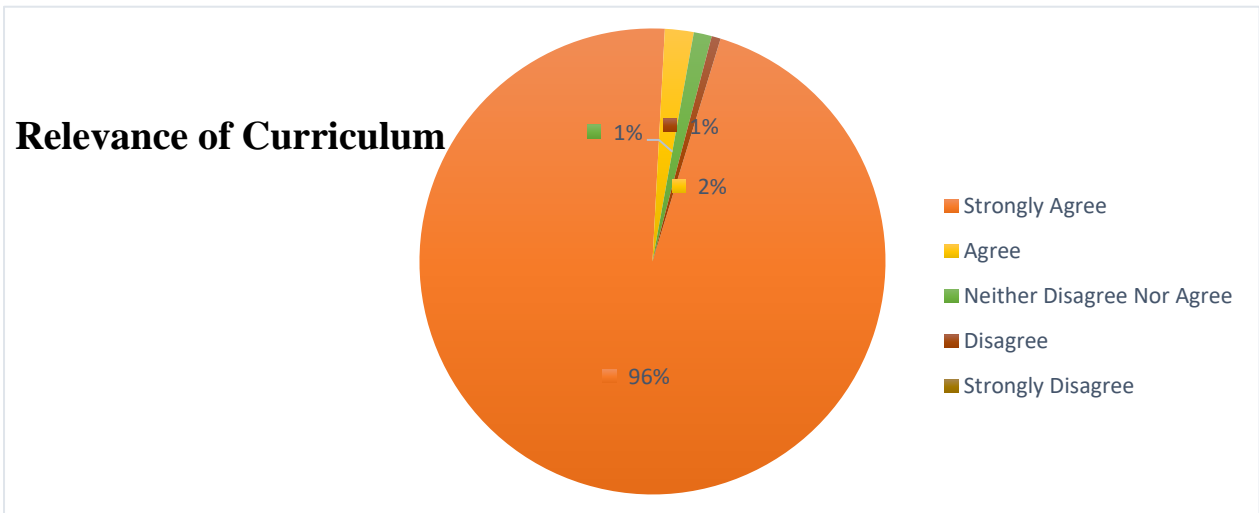

We received feedback from 800 students. Most of the students are satisfied with the relevance of the curriculum, coverage of the course and delivery of the content and overall, the environment of the college. Many students feels that skill development courses must be included in the programs and hands-on trainings is needed for better understanding of the subject.

Table of Satisfied Responses:

S. No.	Attribute	Strongly Agree (5)	Agree (4)	Neither agree nor disagree (3)	Disagree (2)	Strongly Disagree (1)	Total
1	Relevance of curriculum	769 (96%)	16 (2%)	10 (1%)	5 (1%)	0	800
2	Coverage of course	776 (97%)	9 (1%)	8 (1%)	5 (1%)	2 (0.5%)	800
3	Value addition	701 (92%)	61 (4%)	23 (3%)	11 (1%)	4 (1%)	800
4	Skill development	679 (87%)	66 (5%)	25 (3%)	27 (3%)	3 (0.5%)	800
5	Delivery of content	777 (97%)	11 (1%)	12 (2%)	0	0	800
6	Availability of resources	769 (96%)	14 (2%)	11 (1%)	5 (1%)	1 (0.5%)	800
7	Availability of Electives	741 (93%)	17 (2%)	32 (4%)	9 (2%)	1 (0.5%)	800
8	Overall academic environment	778 (97%)	14 (1%)	8 (1%)	0	0	800

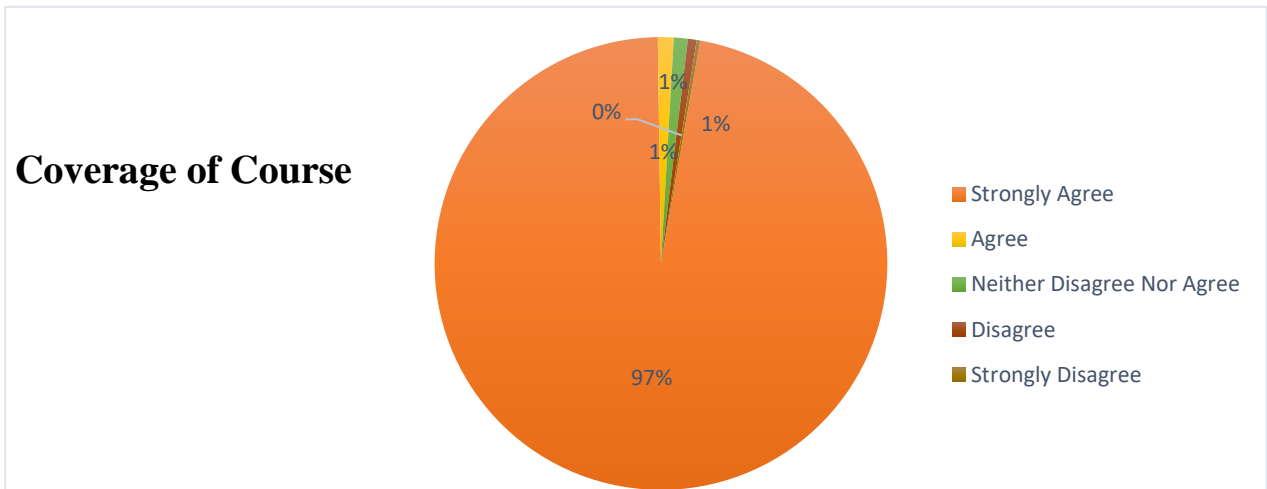

Q.1 Relevance of Curriculum: The content is adequate and career oriented

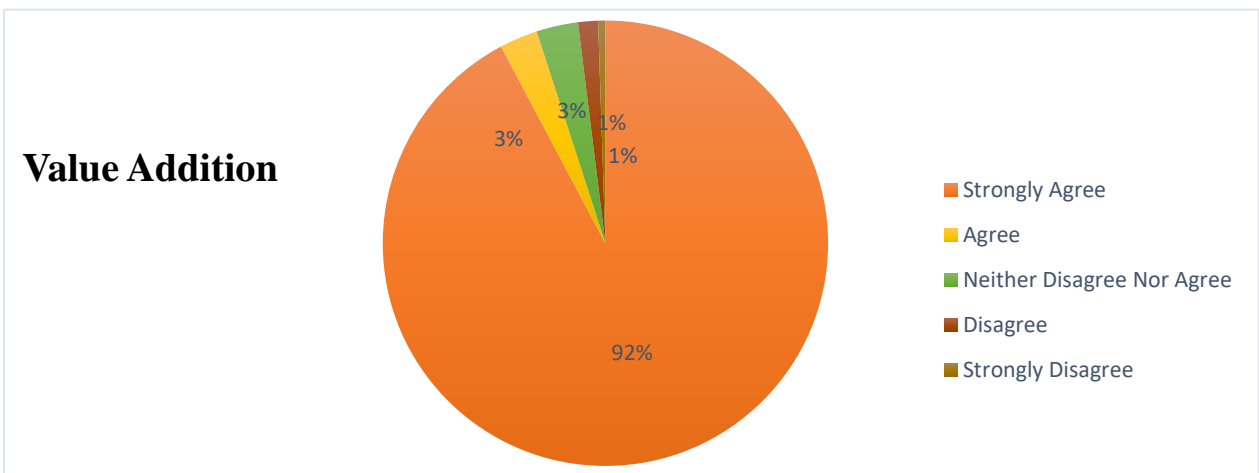

About Relevance of the Curriculum, 96% of the students strongly agreed and 1% are of the opinion that some changes are needed to make it more relevant.

Q. 2 Coverage of Course: The course includes fundamental and applied aspect

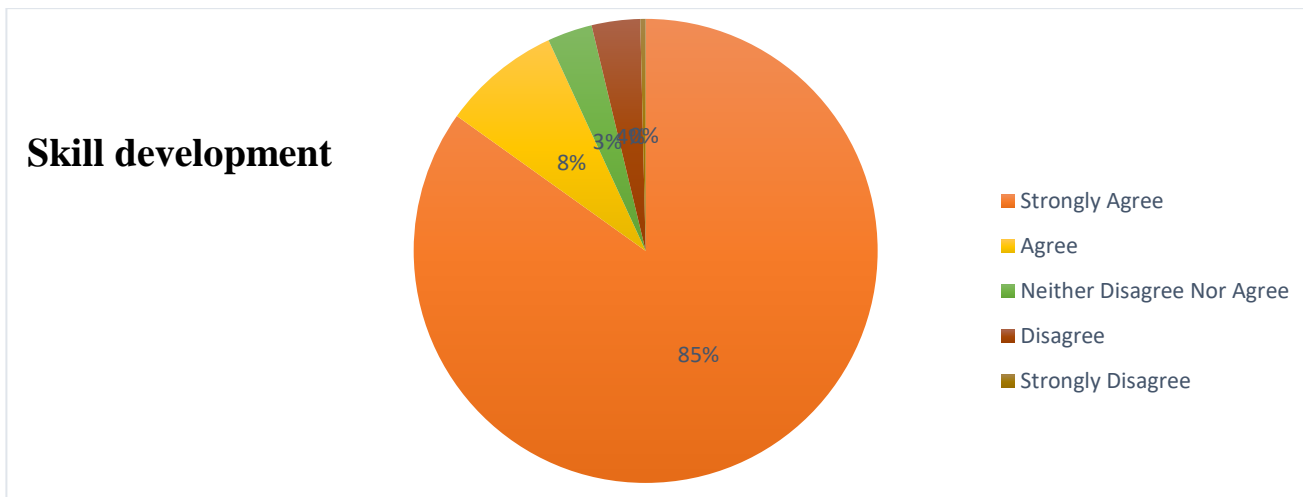

Regarding coverage of the course 97% students were of the opinion that course is completed in the class where as 1% believe that whole course is not completed in some classes.

Q. 3 Value addition: The curriculum incorporates environmental, moral and social values.

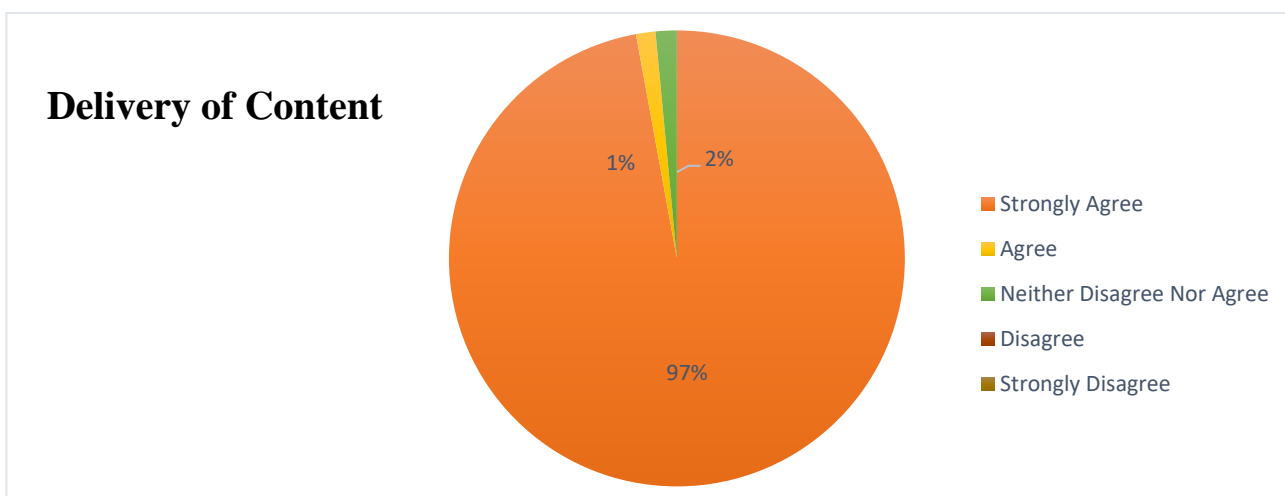

About Value Addition, 92% students strongly agreed but 7% students seek changes and introduction of such courses and changes in the curriculum to make it more employability.

Q. 4 Skill development: The curriculum is supported with practical/Field work/Project work/other activities

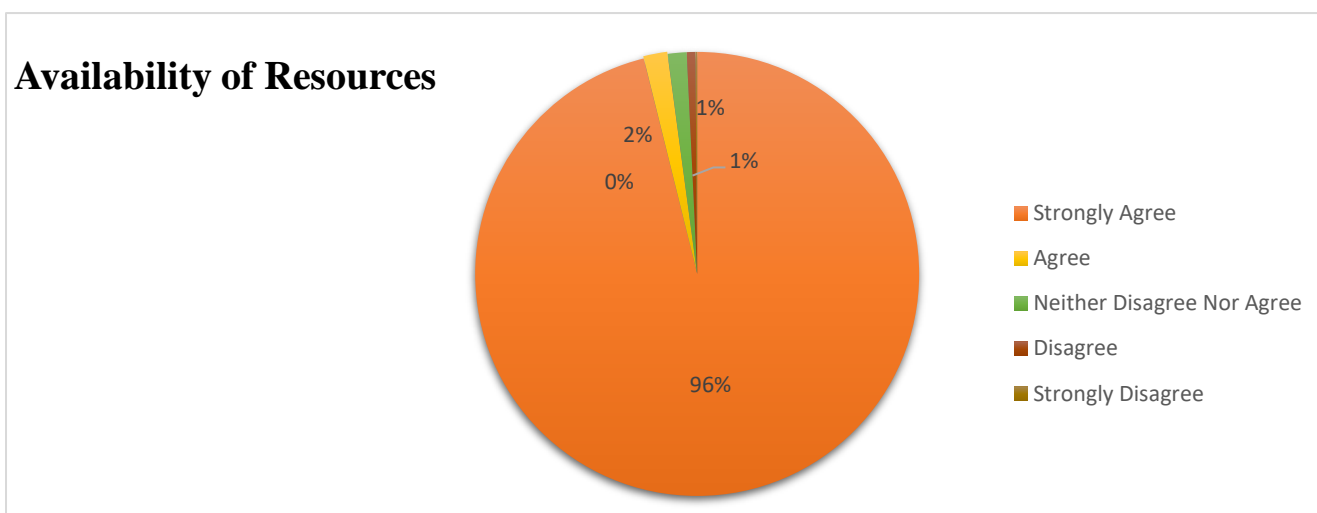

85% students strongly agreed that the curriculum is skill based but 11% students seek modification in the present curriculum. They suggested that more certificate and diploma courses must be introduced.

Q. 5 Delivery of content: The course is covered effectively and efficiently

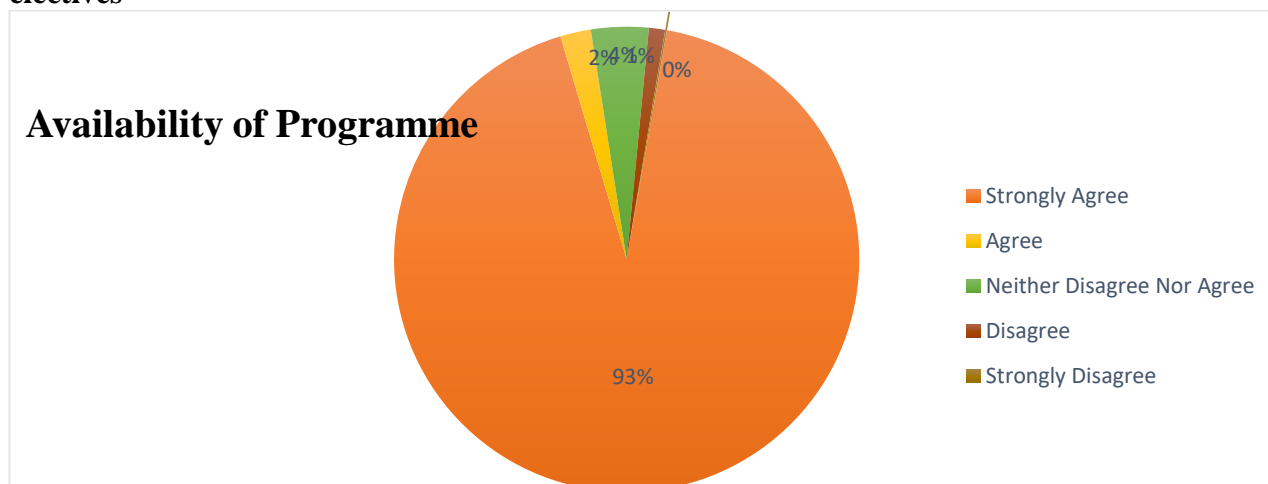

Regarding delivery of content, 97% students strongly agreed about it while 3% showed different opinion and expect more methods of content delivery for increased effectiveness.

Q. 6 Availability of resources: The resources for learning are adequate and easily available

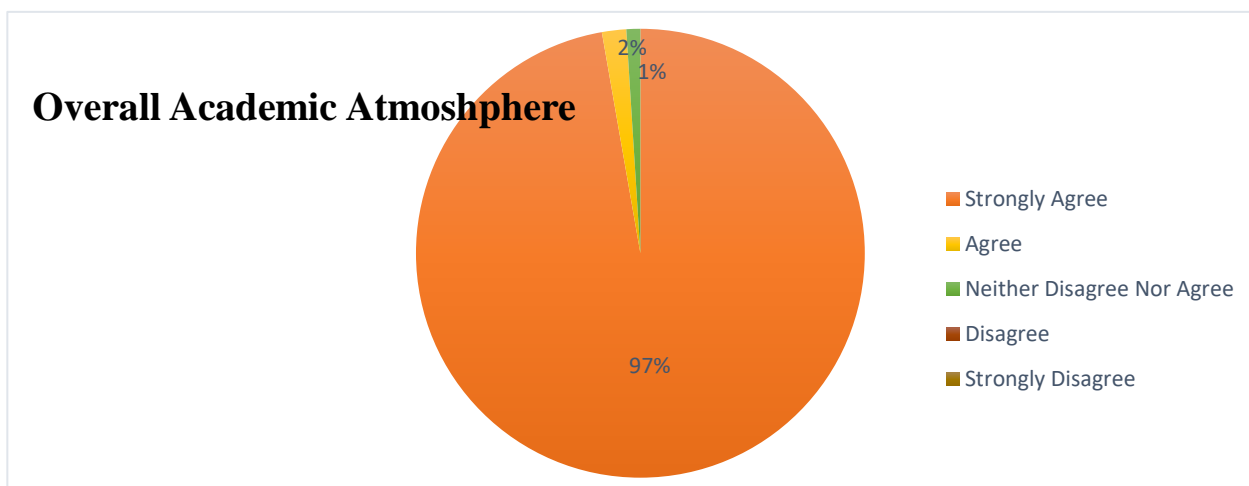

The feedback of the students reveals that 96% believe that they are satisfied with the resources available in the college while some differ from rest and believe that resources need to be increased.

Q. 7 Availability of programme: There is ample choice of subject combination or availability of electives

93% of the students are satisfied with the availability of the different programs in different streams but 7% believes that more courses should be introduced specially those courses which are in demand now.

Q. 8 Overall academic atmosphere: The overall academic atmosphere is excellent

About academic atmosphere, 97% of students are happy and satisfied with the curriculum, classes, teachers and all the available facilities while 3% don't strongly agree.

Suggestion for further improvement:

1. New skill and value addition Courses
2. More activities on Counselling, Guidance and Placement in the institution
3. Interdisciplinary courses and activities
4. Advancement in language lab
5. Promote Project based learning and incorporation of Internships
6. Provision of industrial visit in all disciplines
