

FREE COACHING OF NET/SET /JRF STARTED IN PHYSICS DEPT FROM 26 APRIL 2021

Free coaching is being provided by the Physics Department for competitive examinations.

During this corona period, students need time to be online and mentally aware. To keep the students mentally healthy and awareness of teaching and success in competitive examinations, Science College Durg is giving free coaching for the students who are appearing in competitive examinations by joint efforts of Physics Department and IQAC in the Science College Durg, in which Preparation is being done based on the pattern of NET/SET/GATE/JEST. After 20 days of classes, a workshop was organized by the students and professors regarding competitive examinations. In which important information related to all these competitive examinations was sent to the students. On this occasion, the Head of Department Dr. Purna Bose guided the students preparing for competitive exams and encouraged the students for the upcoming examinations. He said that to succeed in the examination, strong will power, self-control and self-confidence should be maintained. IQAC Coordinator Dr. Jagjeet Kaur Saluja spoke about the usefulness and purpose of free coaching. He said how to prepare students for NET/ JRF. To be successful in the exam, it is very important that the students study the subjects closely and deeply and have confidence in their own ability. At the time of time, they keep assessing their preparations on their own so that they continue to know their shortcomings and they should overcome them. The result of any teacher's hard work is evaluated by the success of its students. Dr. Anita Shukla asked to take this free class in a meaningful way, and wished for the bright future of the students, and said that to be successful in any examination, it is very important to concentrate and study, the student should take the course seriously. Understand and prepare yourself accordingly. The program was conducted efficiently by research student Pratik Tiwari. Program coordinator Dr. Abhishek Mishra informed that more than 250 students have registered for this free coaching, including students from Hemchand Yadav University, RaviShankar Shukla University, Bilaspur University and Deshbandhu College, New Delhi. In fact, for the last twenty days, the classes of competitive examinations like NET/SET/GATE/JEST. These classes are held at 9 am, so far, the questions asked in the last 10 years competitive examinations related to Classical Mechanics have been solved, along with 15 questions are being given for practice every day, so that the students Practice takes place. According to the Principal Dr. RN Singh, such programs keep the students motivated and encouraged to move forward in the future, along

with the increase in knowledge, so that the students will never be stressed and will continue to pursue their dreams in the future.
